News from the Castle

Wow, it's November already! October was filled with many celebrations and interactive instructional experiences.

'Rock Your School' was very successful. Dragons learned about the gaming industry and our 5th-grade Dragons were tasked, by Full Sail University, to design a customized video game. They did an incredible job presenting their games to the panel. Well done Fifth Graders!

For Red Ribbon Week, Dragons demonstrated school spirit, by saying no to drugs and bullying. The week ended with Dragons showcasing their books during the character parade.

We are all very excited about our upcoming November activities!
